What our students Say

Since coming to Holly Lodge I feel I have opened up more as the teachers and other students have made me feel comfortable. I feel I have done really well and my work has improved in English and Maths.

I am really happy I chose Holly Lodge. I love the environment around school. My favourite lesson is English.

Ellena (Year 7)

Holly Lodge is a good school. The teachers want you to do well and encourage you to try your best. I have made a lot of friends. I like that you move around the school for your lessons.

Hala (Year 7)

During my first year at Holly Lodge I have really enjoyed myself and felt really welcomed. The teachers have made me feel that I belong here. The older students are helpful and kind. I really like the art lessons because you get to draw and feel like you are an artist. When the work is completed you get to look at it and see if you have done your best or could make improvements.

Ever since I started at Holly Lodge I feel that I have gained more confidence. I have made so many friends in my form class. I love that we have carousel lessons as we get to interact with other groups, which means I have made even more friends. The teachers are nice and have taught me to be resilient and push myself. Holly Lodge is a safe and welcoming school.
