

Year 7 Twitter Takeover

On Wednesday 21st and Thursday 22nd March two Year 7 Holly Lodge students, Kawtar and Lucy took over the school twitter account (@HollyLodgeLiver). This task was to give an insight into a day in the life of Year 7 students and the work that they complete in their lessons at Holly Lodge. Both girls were given the opportunity to take photos of their lesson and to report on the activities which had inspired them most. Below is a selection of their tweets:

Wednesday 21st March
