Dear Andy,

Thank you for your letter following Mona's work experience.

Mona was a joy to work with during her week placement. She dealt impressively with a range of challenges from procedures in parliament, research and constituent correspondence.

Accompanying me on a variety of visits, Mona was professional and dealt sensitively when speaking with constituents during my advice surgery.

My staff were impressed with how quickly Mona took to the tasks, including supervising the work of another work experience student on the Thursday.

I am delighted Mona enjoyed her experience. She is a great credit to Holly Lodge and I know she will make a real success of her future.

We receive many requests for work experience throughout the year, but would be happy to agree an arrangement for other outstanding candidates to have the same opportunity as Mona.

Kind regards,

Stephen Twigg MP
