Enquiries About Results

Connexions and teaching staff will be available to give you advice on Results Day. If you feel strongly that you would like to make an enquiry about a result, you should first consult the Head of Subject or other member of staff to discuss whether it is advisable to request a Review of Result. You should be aware that your mark could go down as well as up or even stay the same. Review of Result requests must be submitted to the Exams Officer as soon as possible after Results Day as there are deadlines for this service. You must complete a candidate consent form and may also be asked to cover the cost.

Collection of Certificates

Students who have left Holly Lodge are advised to come into school to collect your certificates from mid-November. If you are sending someone else to collect your certificates, you must provide this person with a letter authorising them to do so. We would urge you to collect your certificates as soon as possible as we are authorised to destroy them after 12 months.

Lost/Replacement Certificates

We keep a record of exam results for many years, however, if you require replacement examination certificates, information regarding this can be found below. You will be charged by the exam boards for this service so you are advised to make sure you collect your certificates and keep them in a safe place:
