

### News this week

Welcome back! I hope you had a good break and were able to enjoy the lovely weather. We have used the time to reorganise a number of aspects of our work to support the gradual re-opening of secondary schools as follows;

#### 1. Vulnerable/key worker students

From June 1<sup>st</sup> we are open to provide childcare for **Key Worker Children** or **Vulnerable Students in Years 7 to 10**. We have sent a letter to all parents explaining how this will work and how to register if you are a Key Worker. **You must follow the instructions in the letter if you are a Key Worker and you wish your daughter to take up this offer.** Students will work in school on the work they have been set by their teachers for completion online. All students will be provided with lunch.

#### 2. Home Contact

We have reorganised our home contacting teams as some staff will be working in other teams from 1<sup>st</sup> of June. You may therefore be contacted by a different colleague to see how your family are doing.

#### 3. Year 10 and 12 Face to Face Contact

In line with government guidelines, we will invite Year 10/12 students and a parent into school to discuss their progress and plans for next year. We will write to parents with this information in the next few days.

#### 4. Work for Years 7 to 10 and Year 12

As we have reached the end of the half term holiday, the latest batches of work will be posted on Show My Homework from Monday.

#### 5. Awards
