Mobile Phones, Headphones and Smart Watches

We have changed our rules around mobile devices for all years this year as they have continued to cause conflict between staff and students due to their misuse. Therefore, from September, use of all such devices will be banned from the school site at all times as follows.

Phones – must be switched off and placed in bags as soon as students enter site. Any phone seen at any time during the school day will be confiscated.

Headphones – students must not wear headphones on site. If these are seen at any time on site they will be confiscated, **along with the phone they will be connected to.**

Smart Watches – are banned by examination boards, and we have decided to ban them as well to get the students into good habits. Again, any smart watch seen will be confiscated.

Confiscation: Any member of staff can confiscate any item seen. If the student follows instructions straight away, the device will be returned to them at the end of the day. If the student refuses and other staff must become involved, the device will be stored securely until a parent can collect. Serious defiance will result in further sanctions up to and including suspension.

Uniform Policy

Full details of our uniform can be found in the parent's section of our website at www.hollylodge.liverpool.sch.uk

I would like to stress the following.

- All students should wear their blazer at all times.
- Outdoor jackets must be plain black and waterproof. Jackets of any other colour will be confiscated and returned at the end of the day. An outdoor jacket does not replace a blazer.

Staffing Updates

We say goodbye to the following staff this year.

- Miss Callaghan (TA)
- Miss Cuthbert (Science)
- Mrs. Evans (Science)
- Miss Fahey (Art)
- Mrs. McColl (Year Leader)
- Mrs. Morley (English)
- Mrs. Rhodes (Senior Year Leader)
- Mrs. Sung (Science)
- Miss Woolley (MFL)

We thank them all for their service and wish them luck in the future.

We are delighted to welcome the following new staff and very much look forward to working with them.

- Miss Barch (TA)
- Mr. Cooke (Science)
- Mr. Fallon (English)
- Miss McCarthy (Science)
- Miss Morse (Humanities)
- Mrs. Murphy (Head of Year 10)

This has been an excellent year for Year 9, with improving grades and attitude to learning across the year and a very successful options process which has set them up to fulfil their excellent potential as they start their examination courses. The kindness, generosity and maturity they showed in saying goodbye to Mrs. Rhodes was memorable for all the right reasons and the new team of Mrs. Murphy and Ms. Cassidy are looking forward to taking the girls through to their GCSEs and beyond.

Finally, on behalf of all the staff can I say how impressed we have been by the girls this year. At a time of continued disruption and uncertainty around so many aspects of life they have continually shown great character, resilience and maturity in dealing with what will hopefully be the once in a lifetime experience of a global pandemic.

With very best wishes for a happy and healthy summer.

Yours sincerely

Mr. A. Keen
Headteacher
