

Curriculum Overview – Key stage 4: L1/2 Cambridge Nationals in Creative iMedia

Here you will find our curriculum overview for Computing.

This information covers Year 10-11 - Key Stage 4. If you would like more information, please contact:

- Mrs A Smyth, **AHT Curriculum and PD**: a.smyth@hollylodge.liverpool.sch.uk
- Mrs V Collier, **Faculty Leader**: v.collier@hollylodge.liverpool.sch.uk

Assessment: Year 10 is the start of GCSE and other Key Stage 4 qualifications. To enable teachers to cover the content in such courses we limit the amount of formal assessments which take place in this year. Some subject may feel the need to assess during the year and set your daughter shorter assessments to gauge her progress. These will be communicated by individual subjects as required.

Computing curriculum at Holly Lodge Girls' College complies with the Equality Act 2010, the Special Educational Needs and Disability Regulations 2014 and is accessible for pupils with SEND. Click here to view the SEND Policy.
