

Open evening

Tuesday the 18th of November 4.30-6.00

Headteacher talk @5.00

The Top 5 reasons you should choose to study with us!

1. We are a Good School!

In our last inspection OFSTED recognised that every area of our school including our 6th Form, is good or better. Our overall Sixth form provision is amongst the best in the city

2. A wide range of subjects to choose from

We offer 23 different subjects directly at Holly Lodge with the opportunity to study more at our partner schools.

3. Superb pastoral support

Sometimes studying can be tough. We have a dedicated head of 6th Form, a progress manager and a tutor team all ready to provide help when you need it.

4. It's fun

It's not all about exams and coursework - we offer a wide variety of trips and social activities as well as unique enrichment for you to get involved in. We also have a newly refurbished Common room and café area for you to enjoy.

5. Our students go onto amazing destinations

We are very proud of our record of getting students into the university, job or apprenticeship of their choice. Everything we do is about making sure you are set up to make the most of your life after post 16 study.

"The school provides an ambitious curriculum, consistent with its motto 'expect to achieve'"

"In the sixth form, there is a well-chosen and broad range of subjects for students to choose from."

"Students in the sixth form participate in carefully selected work experience. Students value the support and guidance that they receive in applying to universities and other training providers."
