All subjects are level 3 qualifications and will allow you to gain UCAS points and access university degrees.

Blue subjects are A Levels, graded mainly in one set of terminal exams taken in year 13

Red subjects are Applied General qualifications, they are a mix of exams and coursework with the option to retake examined units

Notes

- You should choose subjects in different columns as lessons in the same column occur at the same time and cannot be studied together
- If you do want to study subjects in the same column let us know we may be able to move some subjects.
